

Funding Options

Choices, choices...

Different businesses have different operational and financial objectives. So we provide a range of funding methods to offer you increased flexibility to suit your requirements.

Each option has its own unique characteristics, features and benefits. What they all have in common is the security of fixed monthly rentals and benefits of enhanced cash flow management. By looking at the list opposite you will be able to see which package meets your objectives.

You can maximise the benefits of outsourcing your fleet management requirements by adding one or more of the following services:

- Breakdown and recovery services
- Relief vehicle provisions
- Risk free maintenance
- Risk management services
