

e-commerce

It's e for effortless.

Our e-commerce solution provides an online interaction with our bespoke fleet management system. Giving fleet managers and drivers fast, user-friendly access to vehicle quotations, ordering and essential business information at their convenience.

Customer Specific Microsites

We understand customers need flexibility to manage their fleet, therefore to support this we can offer you a bespoke customer area within our website.

Example reports include: Fleet Lists, Projected mileage, Service status, Terminations due, MOT & Road Fund Licence status.

Your secure area of the site can hold information specifically for your drivers and your management needs. Customers typically use the site to store documents ranging from their company car policy, bespoke reports to general driving advice for their drivers.

e-Quotations

- Ability to apply company fleet policy controls
- Detailed vehicle inspections
- Electronic quote to order workflow
- Order status tracking through to delivery
- Multi-level user access
- Secure and password-protected
- Simple to follow step-by-step process

e-Reporting

- An online fleet management system
- Offers an extensive view of your fleet across specific levels
- 'Dashboard' reporting by exception
- Full management reports
- Ability to drill down to individual vehicle and/or level

We're with you all the way...
